

Gaven is a distinguished business leader with an accomplished journey spanning over 28 years. Throughout his career, he has consistently demonstrated a remarkable ability to drive business success and formulate comprehensive enterprise-wide strategies. His expertise encompasses a wide array of domains including operations, sales, analytics, supply chain, sourcing, with a particular focus on the IT and ITES sectors. Gaven's professional excellence extends globally, with substantial experience in Asia Pacific and the US.

Currently serving as an Executive at Telstra India, Gaven holds a pivotal role in leading Telstra GBS's Partner Ecosystem. In this capacity, he orchestrates the development of partner delivery, propelling Telstra's transformative journey to emerge as a digitally-driven, agile, and innovative technology solutions enterprise.

During his tenure as the Director for Asia & Pacific Sales Operations at Hewlett Packard Enterprise, Gaven was responsible for steering pre-sales efforts across a significant revenue-generating region. As the Director of Global Business Services, he established a global domain-centric practice in sales operations and equipped with market-facing contra revenue infrastructure capabilities.

Gaven's strategic leadership prowess was honed during his impactful role as the global strategy leader for Hewlett Packard in the US, where he formulated the worldwide shoring and sourcing strategy for the consumer sector. Additionally, he played instrumental roles in pioneering IT infrastructure support services at General Electric Capital International Services and successfully establishing greenfield canning and bottling operations at Coca-Cola International in Pune, Maharashtra.

Gaven holds a Post Graduate Diploma in Business Management (MBA) from IMT, Ghaziabad, and a Bachelor's degree in Mechanical Engineering from RV College of Engineering, Bangalore University. He also holds a certification of a Six Sigma Master Black Belt from General Electric, showcasing his commitment to operational excellence. Further, he has enriched his leadership acumen through accelerated executive programs at institutions like NUS - the National University of Singapore and New York University Stern School of Business. Gaven's diverse and accomplished background reflects his ability to lead, strategize, and foster innovation across dynamic business landscapes.

Gaven is also the current President of the IACC - Indo Australian Chamber of Commerce along with being a board member of Telstra India.
