Suren Pather, Chairman, SUMO Group of Companies

### **Background and expertise:**

Suren Pather is founder and Executive Chairman of the SUMO Group of Companies. The SUMO Group was founded in 1992 as a financial advisory company. Since then, it has established a number of other diverse entities globally that fall within one of five pillars: Health, Wealth, Leisure & Immigration, Life, and Education & Technology, all dedicated to helping clients achieve financial and personal wellbeing.

The wealth management division of the SUMO Group provides investment and funds management services in relation to Significant Investor Visa (SIV) complying investments, agricultural and property-related funds management (commercial real estate investment, residential property development, mortgage lending, agri investments into cattle farms, crops and dairy farms), and venture capital investments

During his career of more than 25 years as a financial adviser, Suren served on numerous advisory boards, including as a member of the Asteron Life Task Force and as adviser to the Australian Society of Anaesthetists. He had also previously conducted wealth management programs for the Australian Medical Association (AMA). He had also previously been appointed by the Financial Planning Association of Australia (FPA) as Chairman of its CFP(4) task force on Investment Advice Planning and as a CFP Exam Assessor.

Suren holds Bachelor degrees in Law and Economics (with Honours) from the University of Sydney. He is a certified financial planner and is a Fellow of the FPA. He started his professional career as a corporate tax consultant with PricewaterhouseCoopers in Sydney.

### **Overview of Services provided:**

The sumo Group provided investment and funds management services in Australia which include Significant Investor Visa (SIV) complying investments, agricultural and property-related funds management (commercial real estate investment, residential property development. Mortgage lending, investments into cattle farms, crops and dairy farms), and venture capital investments including fintech, online market, asset sharing/utilisation, and healthcare related technology.

### **Clients we work with:**
